

**Volunteer and Service Training (VAST) presents**  
**Networking session to celebrate Volunteer Managers Day.**  
**The event theme is ‘Diversifying Volunteer Workforce’**

Volunteers are involved in just about every aspect of service delivery in the community sector and behind this army of volunteers lies an equally dedicated group of individuals and agencies who are responsible for the coordination, support, training, administration and recruitment of volunteers – ‘the volunteer coordinators’.

The spirit of volunteerism is enhanced and enabled by these Coordinators/ Managers.

The celebration of this day was started to thank them for their effort and give them the recognition they highly deserve.

In response to the challenges faced by HACC services in recruiting and managing diverse group of volunteers, VAST has invited guest speakers to share their knowledge and expertise to support you with new ideas, effective tips and resources.
