

Fruit and Veg Shopping Assistant

VAST is a volunteer and training service that helps find Volunteers for local Home and Community Care Not for Profit organisations.

Do you know how to pick the good apples from the bad? As part of a shopping assistance program for the elderly we are looking for a volunteer to help supermarket staff at Bondi Woolworths compile fruit and veggie orders.

For just a couple of weeks per week you will help supermarket staff collect fruit and veg from the store according to lists needed for delivery to elderly people who can no longer shop for themselves.

This is a great way to get experience in a retail environment and develop your knowledge of the food industry.

Time commitment involves working at the Bondi Woolworths for 2 hours on a Tuesday – time and day are not flexible.

People with limited English and diverse cultural backgrounds are encouraged to apply.

Please note: Police clearance is mandatory for this position.
